

# Harpreet Kaur (She/Her)

## Junior Cloud / DevOps / Software Engineer

EMAIL: [HARPREETKJSINGH@GMAIL.COM](mailto:HARPREETKJSINGH@GMAIL.COM) • MOBILE: +44 7481 036 777

LOCATION: **LONDON** • AVAILABILITY: **IMMEDIATE** • CITIZENSHIP: **BRITISH**

### *Personal Statement*

I was an administrator who has now re-trained as a developer in cloud services, which I am now passionate about. I have completed a **12 week full-time classroom-based AWS Cloud Practitioner** course with **practical labs**, as well as doing extra study in my own time. I now have a working knowledge of AWS services, **Linux, Bash, Python**, databases: SQL (**MySQL**) & **No-SQL**.

### *Work / Training Experience*

#### ***AWS re/Start Cloud Practitioner – Westminster Adult Education Services (London) - October 2021 to Present***

- Linux, **Networking** and Bash scripting
- **SSH**, Security Best Practices, **Cyber Security** (ethical hacking with Kali Linux)
- Python, **APIs**, SQL (MySQL) & No-SQL Databases
- Learned how to **configure, monitor & support AWS services**
- Storage / Databases: **S3**, RDS, **DynamoDB**, RedShift, Aurora
- Servers: **EC2**, Fleet, **VPC**, **CloudFront**, Elastic Beanstalk, **Route 53**, **Elastic Load Balancer**, **API Gateway**, **Step Functions**, **Lambda**
- Monitoring: **CloudWatch**, CloudTrail, Athena
- CI/CD & Automation: **GitHub**, **GitLab**, **Jenkins**, **Ansible**, **CloudFormation**

#### ***Secretary – Akal Software Ltd (London) - January 2017 to August 2020***

- Basic accounts (profit & loss, cash flow forecasts)
- Payroll calculation
- Writing meeting minutes
- Organising director schedules
- Taking orders by phone or email

#### ***Administrator – Sharp Point M. SDN BHD (Rasa, Malaysia) - February 2014 to March 2015***

- Calculating payroll including overtime
- Creating POs & checking stock levels
- Responding to queries by phone or email

### *Education & Qualifications*
